

Calling all kids at heart...

Your civic organization, GrowCove, has had several discussions with the City of Huntsville Parks and Recreation department and the Cove has a great opportunity to design a new inclusive playground (and more) at the new Taylor Road Park and Rec Center!

If you love to play, or have expertise in playground design, occupational therapy, landscape architecture, creative water management, site engineering, art, fundraising, construction, child development, or any other playground-related activity, join the Taylor Park Playground Committee. Come help build your childhood dream playground!

Jessica Berkholtz is heading up this exciting initiative! Contact her at jessica@growcove.org. You may also find out more information at the GrowCove meeting this **Wednesday, Nov 7th** or at the playground committee meeting on **Wednesday, Nov 14th at 6:30pm**, in the **GSES Gym Activity Room**.
